August 2008 Update

New Riverhaven Resident Email Group

To sign-up: http://groups.yahoo.com/group/Riverhaven_HOA/

To get important news, like the recent garage break-ins, out to residents more quickly and to help our residents communicate with one another more easily we have started an email group on Yahoo! Groups. The message board is meant to be a positive force to strengthen our community and residents should feel free to post messages of interest to the general community. To join the group, go to the web address above and follow the instructions.

If you have any questions or problems you can reach our list manager by using the contact form on the Riverhaven website http://www.riverhaven.us/contact_us.htm.

USE the group for

- Alerting neighbors to break-ins, mail box thefts and other crimes in Riverhaven and our surrounding areas.
- Looking for lost pets.
- Looking for people to join youth sports like Little League, Pop Warner football and cheer teams, Tucson Youth Soccer, etc.
- Announcements of school fairs at Davidson, fun runs at the YMCA and other activities.
- Any events of general interest to the Riverhaven community.

DO NOT use the group for

- Discussing problems with or complaining about your neighbors *or* for reporting community problems like weeds in a Common Area. Use the comment box on the Riverhaven website (http://www.riverhaven.us/contact_us.htm) or call Cindy Borquez, 297-0797.
- Spamming or advertising. If you want to place an advertisement in the monthly update or the fall or spring newsletter contact Cindy Hagerman at cindytucson@yahoo.com.
