## Changes in Riverhaven Communications

Riverhaven's new Board is considering ways to reduce costs and increase resident participation by utilizing electronic and social media communications, in lieu of monthly updates. We plan to reduce the monthly meeting reminders to a simple postcard (saving postage and production time). You can stay involved with community events, neighborhood issues, and seasonal interests by joining our Yahoo Group and brand new Facebook page!

## Man's Best Friends

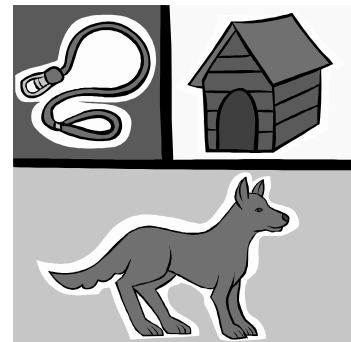

As summer quickly approaches, there are a few important things to remember to keep your pet(s) healthy and happy.

Tucson's 100°+ temperatures can spell trouble for outdoor pets. Give pets a cool, shady place to hide from the heat and plenty of water.

Consider kenneling your pets indoors, for maximum safety.

Protect "Fido's" delicate paws from the super-heated pavement. Take walks in the morning or evening hours or consider purchasing protective gear for your pet's feet.

Pet waste is a constant chore ... but it is particularly important to be vigilant during summer months when the *smell* can travel beyond your property lines. Be courteous of your neighbors and clean up regularly!

**National Night Out – Date Changed to October 4, 2011!**
