### Neighborhood Safety

The police department's Midtown community service officer, Becky Noel [791-4806 x1019], will be at the Board meeting to discuss neighborhood safety issues, answer your questions and address your concerns.

### Weeds! Weeds! Weeds!

The good news is that our neighborhood got a lot of rain this winter - the bad news is that all that rain has led to a bumper crop of winter weeds. Rebecca Weinberg, Landscape Committee Chair, recommends either removing weeds with a u-shaped hoe that has a blade that slides under the gravel to cut off the weeds without disturbing the rock mulch or using a contact or locally systemic herbicide such as Roundup or Topkill. Be sure to apply when the air is still so the spray doesn't drift onto valuable plants. If you need to spray weeds located close to your plants, you can use a piece of cardboard as a barrier to protect valuable plants. Finally, when the weeds have been killed, apply a weed-prevention chemical such as Amaze, Oryzalin (Surflan) Weed Impede, to keep them from growing back. Spring and fall applications are all that are needed. With following these suggestions, you will be rewarded with fewer weeds each year!

Cadden will not send weed notice violations until after **March 15**, after that notices about weeds will go out again.

### Lost Keys

A set of keys was found in one of the washes that runs through Riverhaven. They are described as being on a red climbing clip with 3 keys on one ring and two keys on another. If these are your keys call Cindy Borquez at 297-0797.
