

Addition to *Design Guidelines: Rules & Regulations: House Address*
Riverhaven Homeowners Association

For safety reasons the Tucson Police Department recommends homes have easy to read street addresses on both the front and rear of the house. The Board agrees with this. It is recommended, but not required, that all homes in Riverhaven have:

- The address of the house stenciled on the curb in front of the house. The address should be
 - In black paint.
 - 3-4 inches high.
 - On a white background.
- The address of the house on the back of the house. The address should be not be painted on the house.
 - The numbers should be 3-4 inches high and in reflective material.
 - The address should be placed on the house where it is clearly visible over the fence.
 - Houses with back porches can place the address on the porch's fascia facing the rear of the Lot.
 - Homes without porches can place the numbers above a back door or window facing the rear of the Lot.
